March 21, 2020

The number of known cases of the COVID-19 in the United States surged has been growing fast since March as testing expanded and the virus spread, and hundreds of patients with the virus have died.

The EC Sports has been serving the East Cobb Community by providing a professional table tennis facility and world class coaching since 2014. Many people's life has changed in health, entertainment, and success since the opening of the EC Sports. To keep safe for the community, the EC Sports has decided to close temporarily for all members and non-members. Private lessons are gradually cancelled as well due to members concern on the spreading COVID-19. Therefore, revenue has been decreased sharply to almost zero. We do not know when this situation is going to be over. The closure could be two or three months. However, the landlord of the EC Sports property has not shown any rent relief yet. The rent is about \$8,000 per months, so the shortage of fund to cover the rent is about \$16,000 to \$24,000.

You can help us in any amount financially for supporting the EC Sports. Your support will have a tremendous impact on keeping the EC Sports surviving the hardship period. With your support, the EC Sports will be able to survive the difficult time and continue serving the community. You can donate by sending money to our PayPal account eastcobbpps@gmail.com or send us a check (payable to TTSFA) to our address at 2550 Sandy Plains Rd, Suite 230, Marietta, GA 30066.

Amy Feng is the owner of the EC Sports. She moved to Georgia in 2014 from Maryland because of her favor of Georgia warm weather and loving the city where she played the 1996 Atlanta Summer Olympic Games. Born in Tianjin, China, Amy Feng began playing table tennis at the age of nine. In March 1992, she moved to the United States and has since been the number-one ranked woman in American table tennis. Internationally, she won the women's singles in table tennis at the Polish Open (1985), the Chinese World College championships (1987), the Canadian National Exhibition (1992), as well as the North American championship series, Women's Allstar Singles, and the Chinese New Year tournament (all 1994). In the United States, Feng placed first at the Southern Open, the Pacific Rim Open in Portland, Oregon, and the Sun TV Open (all 1992) and was North American champion (1993). Known for her quick serve and explosive attack, Feng was the U.S. Table Tennis National champion in women's singles in 1992, 1993, 1994, and 1995, and came in second at the U.S. Olympic trials in 1996.
